Application No. 10/775,851

Filed: February 10, 2004

Attorney Docket No. 13-DV-132640

ON PETITION

This is a decision on the petition filed January 16, 2007 under 37 CFR 1.137(b), to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to submit the formal drawings in a timely manner in reply to the Notice of Allowance mailed June 20, 2006, which set a statutory period for reply of three (3) months. Accordingly, the above-identified application became abandoned on September 21, 2006.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of the formal drawings; (2) the petition fee; and (3) the required statement of unintentional delay have been received.

The power of attorney submitted with petition on January 16, 2007 is not accepted. In order for an assignee to take action in a case before the Office, compliance with 37 CFR 3.73(b) must be satisfied. More specifically, 37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3) the submission establishing ownership must be signed by a party authorized to act on behalf of the assignee; and (4) documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office. A blank 37 CFR 3.73(b) accompanies this decision.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3210.

This matter is being referred to the Publishing Division for further processing.
